Explanatory Notes:

Resolution 3

The Ordinary Resolution 3 above, if passed, will empower the Manager from the date of this Annual General Meeting until (i) the conclusion of the next Annual General Meeting of MLT or (ii) the date by which the next Annual General Meeting of MLT is required by the applicable regulations to be held, whichever is earlier, to issue Units and to make or grant instruments (such as securities, warrants or debentures) convertible into Units and issue Units pursuant to such instruments, up to a number not exceeding fifty per cent. (50%) of the total number of issued Units (excluding treasury Units, if any) with a sub-limit of twenty per cent. (20%) for issues other than on a pro rata basis to Unitholders.

For determining the aggregate number of Units that may be issued, the percentage of issued Units will be calculated based on the issued Units at the time the Ordinary Resolution 3 above is passed, after adjusting for new Units arising from the conversion or exercise of any Instruments which are outstanding at the time this Resolution is passed and any subsequent bonus issue, consolidation or subdivision of Units.

Fund raising by issuance of new Units may be required in instances of property acquisitions or debt repayments. In any event, if the approval of Unitholders is required under the Listing Manual of the SGX-ST and the Trust Deed or any applicable laws and regulations in such instances, the Manager will then obtain the approval of Unitholders accordingly.
